Beckons Unveils 'A Wild Reward' at Tierra Patagonia

Sydney, Australia (July 13, 2026) Beckons, a curated portfolio of luxury lodges in the world's most remote and remarkable places, has announced a new limited-time offer for Tierra Patagonia, inviting travelers to design their own ideal adventure in one of South America's most extraordinary wilderness regions. Guests booking the new 'A Wild Reward' package on stays of three nights or more receive a US\$1,000* experience credit per room, redeemable across a selection of private adventures, wellness experiences and lodge extras.

The offer is valid for travel from September 15 to October 20, 2026, capturing Patagonia's calm spring season as the landscape comes to life with newborn guanacos, mirror-like lakes and vibrant birdlife at a time when fewer people are walking the trails through Torres del Paine, one of the world's most cinematic natural settings.

Set on the edge of Torres del Paine National Park, Tierra Patagonia invites guests to go beyond sightseeing and immerse themselves in the landscape through considered, personalized experiences. The 'A Wild Reward' experience credit can be used toward a range of experiences including guided nature hikes, a puma encounter, glacier excursions, spa treatments, selected wines from the cellarmaster's list and private transfers where available.

Tierra Patagonia General Manager Esteban Bagnis said the luxury lodge was ideally suited to travelers who wanted to really feel part of the incredible wilderness landscape, rather than just paying a fleeting visit.

"Spring is a remarkable time in Torres del Paine - the light is soft, the wildlife is more active and the park is wonderfully quiet. With 'A Wild Reward', our guests can stay a little longer and use their experience credit to shape days that feel entirely their own, whether that means standing beneath the Three Towers, setting out at dawn in the hope of an encounter with the Patagonian puma or watching the mountains catch the first light from Uma Spa."

Among the standout experiences available as part of the offer is Tierra Patagonia's iconic Base of the Towers hike, which follows the Ascensio River through native forest before opening to dramatic valley views and the towering granite peaks of Torres del Paine. Guests may also choose the lodge's specialist-led Puma Pursuit, a distinctly Patagonian wildlife experience that explores the steppe in search of one of the region's most elusive predators during a season known for favorable sighting conditions.

For those drawn to Patagonia's glacial landscapes, the Sailing Grey Glacier experience offers a journey across Grey Lake to the face of Grey Glacier and the edge of the Southern Patagonian Icefield, set to storytelling from expert guides and including lunch at a local restaurant. Alternatively, guests can use their credit towards restorative treatments at Uma Spa, where local botanicals, mountain views and a profound sense of stillness create a different kind of immersion in the destination.

*Bookings on 'A Wild Reward' are subject to availability at the time of booking. A minimum three-night stay is required, for travel between September 15 - October 20, 2026. Offer is subject to availability and may be withdrawn at any time. Experience credit per room is in local currency (USD). The Puma Pursuit and Sailing Grey Glacier experiences must be booked in advance and are non-refundable if canceled within 30 days of arrival.
